COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In response to the Examiner's Statement of Reasons for Allowance attached to the Notice of Allowability in the above-identified application, the applicants respectfully submit the following comments.

Certificate of Electronic Mailing (37 C.F.R. § 1.8)

I hereby certify that this correspondence is being deposited electronically with the United States Patent Office addressed to: Commissioner for Patents, PO Box 1450, Alexandria, VA 22313-1450, on **September 20, 2007**.

Typed or printed name of person signing this certificate:

Monica White

Signature:

A handwritten signature in black ink, appearing to read 'Monica White', is written over a horizontal line.

The Examiner has pointed out how a particular feature recited in the independent claims differs from the prior art. It is respectfully submitted that each claim must be considered as a whole when making comparisons to the prior art, and that each and every claim in the application recites an invention that is patentable over the prior art. To the extent that the Examiner's statement is intended to be interpreted to limit the scope of the allowed claims, the applicants respectfully disagree with that statement.

The Issue Fee is paid herewith. Prompt issuance of Letters Patent is respectfully requested.

The applicants' undersigned attorney may be reached by telephone at 212-801-6729. All correspondence should continue to be directed to the address listed below, which is the address associated with Customer Number 32361.

Respectfully submitted,
